### House rules

No animals are allowed in the building (except guide dogs) unless otherwise agreed with Laila Penthouse.

Please keep in mind the Laila Penthouse is situated in a residential area. Guests using Laila Penthouse should not disturb the peaceful environment of the neighbors.

Use our Penthouse for your desires, but not for smoking. There's a smoking area outside on the terrace. If you smoke inside the Penthouse or tamper with the smoke alarm we will charge you a €200 fee.

Open fires are not allowed. Burning candles is allowed, playing with candles is not. An extra fee of €50 will be charged when cleaning wax from candles is necessary.

When leaving the Laila Penthouse, guests are expected to leave the key inside on the designated place, check whether all the lights are out and the door is properly closed.

Please handle the key with care. Loss of the Laila Penthouse key is subject to an extra charge of €50.

## Damages and injuries

The guest should notify Laila immediately upon noticing any damage or when something is not functioning as expected in the Laila Penthouse or the rest of the premises during your stay.

Laila is not responsible for any loss or damage of items brought in by guests to the Laila Penthouse.

The Laila guest bears financial liability for stealing, damaging and/or destroying the Laila Penthouse, the interior, equipment provided and technical devices due to their fault or due to the fault of the person(s) that you are responsible for.

The cost of damages and theft will be subtracted of the deposit paid upfront. But this does not prevent us from charging extra for serious damage.

Laila is not responsible for any injuries to guests and visitors caused during the stay in the Laila Penthouse by your fault or by fault of the person(s) that you are responsible of.

Please keep in mind, the person checking in, the party leader, is responsible for all guests at the Laila Penthouse during the period that was booked and paid for.

Laila may refuse to accept the guests who grossly violated the Laila House Rules during the last stay by damaging the Laila Penthouse or by inflicting damage on other guests, Laila owners/employees or in other way violated the neighbors property or the functioning of Laila.
